ABOUT ME

Full Stack Developer with experience in the complete software lifecycle, building scalable solutions from interactive interfaces to robust backend architectures. Specialized in the .NET (C#) ecosystem and modern frameworks like Angular and React. I turn business requirements into high-performance applications.

WORK EXPERIENCE

Software Developer

Teleperformance | April 2024 - Present

- Develop and scale enterprise applications using .NET Core and Angular, improving the operational efficiency of teams.
- Optimize RESTful API response times by rewriting the SQL Server queries behind the slowest data loads.
- Resolve critical system incidents and replace manual data flows with automated SSIS packages and services.

Full Stack Web Developer & IT Consultant

Independent/Freelance | January 2024 - Present

- Design custom web architectures for clients, migrating projects from heavy dependencies to modern solutions.
- Build dynamic dashboards and e-commerce platforms, replacing third-party plugins with custom code to meet Core Web Vitals thresholds.

Immersive Interfaces Developer (VR)

UANL | January 2022 - April 2024

- Programmed business logic and object-oriented software architecture in C# (Unity) for the development of interactive simulators.

PERSONAL PROJECTS

- Digital Invitations — Reusable event invitation template in Astro, configured per client from a single file. Deployed for paying clients.
- Sandowrite — Publishing platform in Astro; content moved to Postgres with Prisma, kept static via a custom Content Layer loader.
- FIME Virtual Tour — 360° campus tour in a Three.js viewer, from panoramas rendered out of a Unity simulator.

SKILLS

- Frontend: JavaScript (ES6+), TypeScript, React, Angular, Astro, Next.js, HTML5, CSS3, Tailwind CSS.
- Backend & Data: .NET Core (C#), Node.js, Express, SQL Server, MongoDB, PostgreSQL, Prisma.
- Tools: Git, Docker, Postman, Azure, Figma, Vercel, Netlify.

EDUCATION

- B.S. in Systems Administration Engineering — FIME, UANL | 2018–2024
- Full Stack Web Developer — UTEL | 2022–2023

LANGUAGES

- Spanish — Native · English — Intermediate (B2)
